# **Leap to Excellence Auction Rules**

***The success of the auction depends on careful observance of terms stated on gift certificates and your active participation in placing bids. — Please take note of your bidder number.***

1. Each party is assigned a bidder number, which they will receive that evening.
2. Each item in the silent auction has a bid sheet at the table. Persons wishing to bid may do so by placing their bidder number, name and the bid amount on the bid sheet.
3. Each succeeding bid must exceed the required increment as shown on the bid sheet in order to constitute a valid bid—NO UNDER-BIDDING WILL BE ALLOWED.
4. Each new bid must be written on the next blank line available.
5. Under no circumstances may the bid sheet be removed from the bidding table.
6. Only an auction official can nullify a bid.
7. The closing bid circled by an auction official constitutes the winning bid. In the event of a dispute, an auction official will act as the final authority to determine the winning bidder.
8. ALL SALES ARE FINAL. NO EXCHANGES OR REFUNDS on items unless specified in the item description. Unless otherwise indicated, all auction items and services must be used within 1 year of the date of this auction.
